

Curriculum vitae

**Elena Fernández
November-2013**

a) Personal Data

Surname: Fernández	Name: Elena
Address: Carme Karr 17, Ent. 1 ^a , Esc. C	City: Barcelona

Postcode: 08034

Current professional position

Position:	Full professor	Since: 23-03-2007
Institution:	Universitat Politècnica de Catalunya (UPC)	
Faculty:	Facultat d'Informàtica de Barcelona	
Departament:	Statistics and Operations Research	
Address:	Campus Nord, C5-208. 08034. Barcelona	
Phone:	+34 93 401 70 32	
Fax:	+34 93 401 58 55	
email:	e.Fernandez@upc.edu	
Specialization:	(AMS 2010) 90C57, 90C10; (UNESCO Code): 1207/1203.26	

Academic degrees

Degree	Institution	Date
Bachelor in Mathematics	Faculty of Science Univ. Zaragoza	June 1979
Msc. in Mathematics	Fac. Mathematics Univ. Valencia	June 1985
PhD. Computer Science	UPC	January 1988

Previous scientific profesional activities

Position	Institution	Date
Teaching Assistant	Fac. Informática. San Sebastián. U. País Vasco	01-12-82 / 30-09-83
Assistant Professor	Fac. Informática. San Sebastián. U. País Vasco	01-10-83 / 30-11-84
Assistant Professor	Fac. Informàtica. Barcelona. UPC	01-12-84 / 30-09-89
Associate Professor	Dpt. EIO. UPC	01-02-89 / 22-03-07
Full Professor	Dpt. EIO. UPC	23-03-07 / ...

b) Publications

b.1 Papers published or accepted in journals listed in Journal Citation Reports (JCR)

d) Research Projects

d1. Direction or coordination of research projects with public funding

Title of project:	OPTIMOS3: Modelos y métodos de Programación Matemática y sus aplicaciones. (Mathematical Programming models and methods and their applications)
Funding Institution:	Ministerio de Educación y Ciencia. (MTM2012-36163-C06-05).
Duration:	2012 - 2014
Title of project:	Algoritmos para Localización de Servicios / Diseño de Redes.
Funding Institution:	Ministerio de Educación y Ciencia. Acción Integrada (AIB2010DE-00137).
Duration:	2011-2013
Title of project:	Estudio del itinerario académico de las mujeres matemáticas en España.
Funding Institution:	Ministerio de Educación y Ciencia. Acción Complementaria (MTM2010-09566-E)
Duration:	2011-2012
Title of project:	OPTIMOS2: Modelos y métodos de Programación Matemática y sus aplicaciones. (Mathematical Programming models and methods and their applications)
Funding Institution:	Ministerio de Educación y Ciencia. (MTM2009-14039-C06-05).
Duration:	2010 - 2012
Title of project:	Grup de Recerca Consolidat: Programació Matemàtica, Logística i Simulació. (2009-00999-B)
Funding Institution:	Generalitat de Catalunya
Duration:	2010-2011
Title of project:	Estudio de poliedros asociados a problemas de rutas y problemas relacionados con logística inversa.
Funding Institution:	Ministerio de Ciencia y Educación. Estancia de movilidad de profesores e investigadores seniors en centros extranjeros de enseñanza superior e investigación" (PR2008-0116).
Duration:	September 2008-August 2009
Title of project:	OPTIMOS: Optimización para la Movilidad Sostenible.
Funding Institution:	Ministerio de Educación y Ciencia. (MTM2006-14961-C05-01).
Duration:	2007-2009
Title of project:	Red temática: Análisis y Aplicaciones de Decisiones sobre Localización de Servicios y Problemas Relacionados. (MTM2006-27490-E).
Funding Institution:	Ministerio de Educación y Ciencia.
Duration:	2005-2008
Title of project:	Grup de Recerca Consolidat: Programació Matemàtica, Logística i Simulació. (2005-00772-B)
Funding Institution:	Generalitat de Catalunya
Duration:	2005-2009
Title of project:	SADERYL2: Un sistema de ayuda a la toma de decisiones en problemas de rutas de vehículos y localización de servicios (TIC2003-05982-C05-04).
Funding Institution:	CICYT
Duration:	2004-2006

d2. Participation in research projects with public funding

Title of project:	Modelos, Algoritmos y Heurísticas para Logística Inversa.
Funding Institution:	Consejo Nacional de Ciencia y Tecnología (CONACYT) México SEP-CONACYT 130053
Participant Institutions	Instituto Tecnológico Monterrey (ITESM)
Duration:	2011- 2013
Chair of the project:	José Luis González Velarde (ITESM-México)
Title of project:	Ingenio Matemática i-Math.
Funding Institution:	Ministerio de Educación y CE-CSD2006-00032
Participant Institutions	Spanish Universities. Over 300 research groups (see http://www.i-math.org/).
Duration:	3/10/2006 hasta: 3/10/2011
Chair of the project:	Enrique Zuazua Iriondo- Marco Antonio López Cerdá
Title of project:	Red Temática de Metaheurísticas (TIN2004-20061-E).
Funding Institution:	Ministerio de Educación y Ciencia.
Duration:	2005-2005
Coordinator:	Rafael Martí (Universidad de Valencia)
Title of project:	Red Temática en Optimización bajo incertidumbre (MTM2004-21648-E)
Funding Institution:	Ministerio de Educación y Ciencia.
Duration:	2005-2005
Coordinator:	Andrés Ramos (Universidad Pontificia de Comillas)
Title of project:	SESTANTE: Strumenti Telematici per la Sicurezza e l'Eficienza Documentale della Catena Logistica di Porti e Interporti.
Funding Institution:	INTERREG IIIB-Méditerranée Occidentale 3-4: 200202/3.4 1-032
Duration:	2003- 2005
Chair of the project:	Jaime Barceló
Title of project:	Red temática: Análisis de Decisiones sobre Localización de Servicios y Problemas Relacionados. (BFM2002-10418-E)
Funding Institution:	CICYT
Duration:	2003-2004
Coordinator:	Juan Antonio Mesa (Universidad de Sevilla)
Title of project:	Red Temática de Metaheurísticas (TIC2002-10886-E)
Funding Institution:	CICYT
Duration:	2003-2004
Coordinator:	Rafael Martí (Universidad de Valencia)
Title of project:	MEROPE: Strumenti Telematici per Servizi Innovativi di Mobilità e Logistica per le Aree Urbane e Metropolitane
Funding Institution:	INTERREG IIIB-Méditerranée Occidentale 3- 4: 200202/3.4-1-091
Duration:	2003 -2005
Chair of the project UPC group:	Jaime Barceló
Title of project:	SADERYL: Un sistema de ayuda a la toma de decisiones en problemas de rutas de vehículos y localización de servicios (TIC2000175000603)
Funding Institution:	CICYT
Duration:	2001-2003
Chair of the project:	Jaime Barceló

e) Supervision of doctoral theses

Title:	The capacitated spanning tree problem.
PhD Student:	Efrain Ruiz Ruiz
Codirector:	Maria Albareda-Sambola
University:	Universitat Politècnica de Catalunya
Department:	Departament d'Estadística i Investigació Operativa
Date of defense:	July 2013.
Title:	Network Hub Location: models, algorithms and related problems.
PhD Student:	Ivan Contreras Aguilar
University:	Universitat Politècnica de Catalunya
Department:	Departament d'Estadística i Investigació Operativa
Date of defense:	February 2009.
Title:	Clustered Price-collecting Arc Routing Problems.
PhD Student:	Carles Franquesa Niubó
University:	Universitat Politècnica de Catalunya
Department:	Departament d'Estadística i Investigació Operativa
Date of defense:	November 2008.
Title:	Models and Algorithms for Location-Routing and Related Problems.
PhD Student:	Maria Albareda Sambola
University:	Universitat Politècnica de Catalunya
Codirector:	Gilbert Laporte. Centre de Recherche sur les Transports. Université de Montréal
Department:	Departament d'Estadística i Investigació Operativa
Date of defense:	June 2003
Title:	Algorithmic Approaches for the Single Source Capacitated Plant Location Problem.
PhD Student:	Juan Antonio Díaz García
University:	Universitat Politècnica de Catalunya
Department:	Departament d'Estadística i Investigació Operativa
Date of defense:	July 2001

f) Editorial activity

- Member of the Editorial Board of the EURO Journal on computation Optimization (EJCO). Since January 2012.
- Invited Co-editor of the special issue of Annals of Operations Research dedicated to the ALIO-INFORMS Joint International Meeting, 2010.
- Member of the Editorial board of Computers and Operations Research. Since January 2003.
- Associate Editor of TOP (journal of the Spanish Society of Statistics and Operational Research-SEIO). 1995-2000 and since January 2007.

g) Stays in international centers (at least one month)

- Institut für Informatik. Universität Heidelberg. Germany. January-February 2011. 5 weeks.
- Chair of Operations Research and Logistics. Universität des Saarlandes, March-July 2009.
- Institut für Informatik. Universität Heidelberg. Germany. September 2008-February 2009.
- Departamento de Ingeniería Industrial y Textil. Universidad de las Américas. Puebla. México. 2003. 9 weeks.
- Operations and Information Management Department. University of Connecticut. Storrs. Connecticut. Estados Unidos de América. 2002. 9 weeks.
- Departamento de Computación y Tecnología de la Información. Universidad Simón Bolívar. Caracas. Venezuela. 2000. 8 weeks.
- Norwegian School of Economics and Business Administration. Bergen. Noruega. 2 months. 1989.

h) Further scientific and academic activity

h1) Representation activities.

- President elect of the Association of European Operational Research Societies (EURO), January 2014-
- Vicepresident of the International Federation of Operational Research Societies (IFORS) for the European Operational Research Societies (EURO), April 2011–December 2013
- Vicepresident of the Sociedad Española de Estadística e Investigación Operativa (SEIO). September 2007-September 2010.
- Representative de la Real Sociedad Matemática Española (RSME) in the Committee for Women in Mathematics of the European Mathematical Society (EMS). October 2009-December 2013.
- President of the Committee for Women and Mathematics of the Real Sociedad Matemática Española (RSME), November 2009- December 2012.
- President of the Committee for Women and Mathematics of the Sociedad Española de Estadística e Investigación Operativa (SEIO), June 2010-September 2011.
- Representative of SEIO in EURO (European Federation of Operational Research Societies) January 2008-September 2011.

h2) Organization of International Conferences.

- President of the Organizing Committee of the 20th Triennial Conference of the International Federation of Operational Research Societies (IFORS), Barcelona, July 2014.
- Member of the Scientific Committee of the 20th Triennial Conference of the International Federation of Operational Research Societies (IFORS), Barcelona, July 2014.
- Member of the Program Committee of the XII International Symposium on Locational Decisions, (ISOLDE XIII), Naples, June 2014.
- Member of the Scientific Committee of the EWGLA XX (Conference of the European Working Group on Locational Analysis). Ankara, April 2013.
- Member of the Program Committee of the 25th European Conference on Operational Research (EURO XXV), Vilnius, Lithuania, July 2012.
- Member of the Scientific Committee of the 5th. Odysseus Workshop (Freight Transportation and Logistics). Mykonos (Greece), May 2012.
- Member of the Scientific Committee of the 1st International Conference on Operations Research and Enterprise Systems (ICORES), February 2012.
- Member of the Scientific Committee of the EWGLA XIX (Conference of the European Working Group on Locational Analysis). Nantes. September 2011.
- Member of the Scientific Committee of the European Conference for Young Researchers (ORP3). Cadiz. September 2011.
- Member of the Scientific Committee of the EWGLA XVIII (Conference of the European Working Group on Locational Analysis). Naples. February 2010.
- Member of Program Committee of the CLAIO/INFORMS Conference, Buenos Aires, June 2010.
- Member of the Scientific Committee of the 4th. Odysseus Workshop (Freight Transportation and Logistics). Izmir (Turkey), May 2009.
- Member of the Scientific Committee of the EWGLA XVII (Conference of the European Working Group on Locational Analysis). Elche. September 2008.
- Member of the Scientific Committee of the International Workshop on Operational Research (IWOR 2008), Madrid, June 2008.
- Member of the Organizing Committee of the 3rd. Odysseus Workshop (Freight Transportation and Logistics). Altea (Alicante), May 2006.
- Member of the Program Committee of the XIII Congreso Latino-Iberoamericano de Investigación Operativa (CLAIO 2006). Montevideo, November 2006.

j) Teaching in Post-graduate and Doctoral Programs

Universitat Politècnica de Catalunya

- Doctoral Program (quality mention): Estadística e Investigación Operativa. (UPC).
 - Integer Programming and Combinatorial Optimization Since 91/92
 - Heuristic Methods in Mathematical Programming. Since 01/02

Other International Institutions

- Efficient Algorithms, Institut für Informatik, Ruprecht-Karls-Universität Heidelberg, January-February 2011. (10 hours)
- Location Problems, Master of Science in Logistics (with Gilbert Laporte), Molde University College, Molde, Noruega, 2-5 June 2008.
- Models and algorithms for multistage location problems, EURO Winter Institute on Location and Logistics, Estoril, 27 January - 10 February , 2007.
- Location of facilities in Reverse Logistics, Proyecto “ALFA-LogInv: Logística inversa y gestión respetuosa con el Medio Ambiente”(II-0491) EU Program ALFA II, Monterrey (México), 9-20 October, 2006, (20 hours).
- Logistic Applications of Combinatorial Optimization, Master in Science, Universidad de las Américas (Puebla. México), June-July 2003. (40 hours).

Other National Institutions

- Optimización Combinatoria, Instituto de Matemáticas Universidad de Sevilla (IMUS), DocCourse Triangularizations and Extremal Graph Theory, 12-17 March 2012. (8 hours).
 - Problemas de rutas de vehículos, Departamento de Matemáticas, Universidad de A Coruña, January 2010. (4 hours)
 - Discrete Optimization in Logistics (with Angel Corberán and Alfredo Marín) in the i-Math Intensive School on Mathematical Programming and its Applications, CIEM Castro Urdiales, 28 February – 8 February, 2008.
 - Modelos y Algoritmos para problemas de localización y rutas. XII Escuela Jacques-Louis Lions Hispano Francesa de Simulación Numérica en Física en Ingeniería. Centro Internacional de Encuentros Matemáticos, Castro Urdiales, 18-22 September, 2006.
 - Investigación Operativa y Programación Entera. Universidad de Zaragoza. Centro Politécnico Superior: Postgrado en Informática, June 1999. (8 hours)
-

a) Various

- Adjunt to the coordinator for the area of Mathematics for the Spanish Agency for Evaluation and Prospective (ANEPE) for the area of Statistics and Operations Research. February 2012 –
- Member of several evaluation committees of the ANEP, in the area of Mathematics since 2005.
- Reviewer for the Agencia Nacional de Promoción Científica y Tecnológica of Argentina in 2011 and 2012.
- Reviewer for the Canadian National Agency for research projects in 2007.
- External advisor for the Habilitation of Ivana Ljubic, University of Vienna, 2012.
- External reviewer for the PhD Thesis of Stephanie Heller (supervisor H. Hamacher), University of Kaiserslautern, 2012.
- External reviewer for the PhD Thesis of Shanin Gelareh (supervisor S. Nickel), University of Saarbrucken, 2009.
